GUIDELINES FOR ALL CHAPERONES/ DRIVERS

As adults, we are here to facilitate a positive Youth Mission experience for all.

ENCOURAGE SUPPORT ENGAGE RESPOND

~You are responsible for the behavior and safety of the students in your charge. ~You must accompany your minors at all times for the entire Mission trip.

~All adult chaperones must act also as drivers. Valid CDL required.

~As an adult, you will be required to remain with the group for the duration of the Mission Trip. If you are transporting students you will be expected to return with the mission group to the St. Mary parking lot at the end of the trip.

~No radios are allowed at job sites at any time. Most importantly this is a safety issue but it also keeps youth from being able to listen to directions from the young adults in charge. This mission is about building community and teaching the youth how their hard work will change a family's life.

~You should always know where to find your students. If a problem arises, contact your coordinator.

~Do not go anywhere during the mission trip where your students cannot accompany you.

~You are requested to review the discipline policies of the Mission Trip to insure that your students adhere to them. We ask all adults to be aware not only of the students in your charge, but to remind any student of inappropriate behavior. Please direct calmly.

~Students respond to your tone. Be respectful of them in order to receive respect in return.

~Rules apply to all. Adults are expected to behave in appropriate manner befitting youth chaperones. (No smoking, inappropriate dress, vulgar language, etc.)

Please remember- **This is a Youth Mission Trip.** You will be expected to **TEACH, SHOW & MODEL** your building skills. Work is expected to be done by the students and young adults. Adults shall act as advisors. You are being called to "share" your gifts. **Be patient! Allow Young Adults to make decisions.**

I have read the above requirements and am acting as chaperone/driver for the Mexico Mission Trip.
